2009 Conference

21st Century Solutions for 21st Century Challenges “How to Do In One Day, What Used To Take One Day and a Half”

On April 29, AICC held its latest webinar “21st Century Solutions for 21st Century Challenges *How To In a Day What You Use To Do In a Day and a Half*”, presented by Dean Mitchell, Facilitator of our Basic & Advanced Supervisor Training.

If you were unable to participate in this webinar, you can purchase access to the complete conference for only \$150 for AICC members.

This program offers companies the opportunity to gather production employees, who would have the interest in discussing reducing costs without reducing services, solutions for today’s economic challenges within the plant in.

Topics of the Audio/Web Conference:

- 21 Century Solutions for 21st Century Challenges Taking Advantage of 21st Century Technology
- Reducing Costs Does Not Always Lead to Reduce Service
Can You Reduce Costs and Raise Service?
Using Old Proven Tools and Developing New Tools?
- Production’s role In Meeting the Needs of the Sales Department and the Customer Production, Sales and Customer Collaborative Process
- Develop your Personal “Action Plan”

To purchase access to the audio/web conference, please complete and fax back the form below to 703-836-2795. For more information contact Laressa Gaitan at 877-836-2422 or lgaitan@aiccbox.org.
