Journey to Diversification

FIDELITY

Extended customer solution into catalog business. Mailed 15,000 catalogs using file box designed for Pillsbury.

1959

1962

Established holding company. \$15M annual sales/150 employees.

1972

Developed line of closet organizers and underbed chests. Today offers point-of-sale packaging and displays.

1977

1979

Solved U.S. Post Office need for water resistant totes. Initially imported plastic from worldwide sources. 1st extruding line in MS. Trimline building products and custom corrugated plastic products.

1983

Paper & Packaging

Liberty Carton Company
Liberty Paper, Inc.
Liberty Fibres
DreamWorks Coating Solutions

Workplace Environments

Safco

Building Products

Valley Craft
Diversi-Plast

Precision Machining

Milltronics
Takumi

Healthcare

Ergolet

1995

Today

Shamrock

Purchased key customer with plastic-based product line complementary to Liberty.

Requests from office supply stores drove the launch of an office supply distribution business. Combination of corrugated & non-corrugated products.

Purchased to complement Safco based on increased sourcing of metal products. (Metal hand truck, metal desktop organizers, etc.)

Built 100% recycled, co-generation paper mill supporting 5 Liberty Carton box plants and many other independents.

Diversified Product Offering

Liberty Diversified International

> \$500M annual revenue — 1700 employees world wide
