ELIGIBILITY FOR REGULAR MEMBERSHIP. A company is eligible for regular membership if (a) it is engaged in the corrugated paperconverting business; (b) sells a substantial portion of its production on the open market; and (c) is not a reporting company under the Securities & Exchange Act of 1934 and does not have any shares issued which are publicly traded. A company is in the corrugated converting business only if it bears financial and legal responsibility for raw materials, plant, equipment, and personnel payroll used in substantial manufacturing activities and is responsible for the quality of the product so produced.

If your company has multiple locations and/or subsidiary companies, please duplicate this application and complete one application per company location. NOTE: Membership for these additional locations is included in the one membership dues fee.
