AICC Region 4

Plant tour, Business Meeting and Golf

Mon. June 14-Tues. June 15, 2010

AICC
ASSOCIATION OF INDEPENDENT CORRUGATED CONVERTERS

Featured Speakers:

•***Jan Rohde, "Is Your Costing Effective?"*** It is common knowledge that you need to manufacture efficiently, purchase wisely and have an effective sales force in order to have a strong bottom line. Do you realize how much margin can be gained or lost through costing? Jan will show you some common costing blunders.

• Steve Young, "**Understanding and Using the Corrugated LCA"**, With Corrugated positioned as one of the most sustainable packaging products its important to understand the why and how so that you and your employees can communicate its value to your customers.

•Stan Rorison, EUSTIS Corporation ***"Understanding Insurance and the Special Needs of an Independent Manufacturer".***

•***Capitoa One, will give us a forecast of the economy covering such issues as interest rates, inflation, and general business over the next 12-28 months.***

•***John Bacot will talk to the group about integrated training and how onsi0te training through AICC can meet the needs of your company.***
