

# AICC Region 2

Plant tour, Business Meeting and Education  
Wed. November 17-Thurs., November 18th, 2010

### Featured Speakers:

- Jason Zimmerman, Zimmfor Management Services will explain the ins and outs and decoding the alphabet soup of certifications in fiber sourcing (FSC, SFI).
- Steve Young, **“Understanding and Using the Corrugated LCA”**, With Corrugated positioned as one of the most sustainable packaging products its important to understand the why and how so that you and your employees can communicate its value to your customers.
- Ralph Young, **“Key Characteristics of Linerboard and Medium and their Impact on Combined Corrugated Board”** **Ralph will outline** information on the large data base of mill physical properties AICC has assembled along with statistics for what is considered to be Best In Class for each containerboard grade. With these DNA profiles we will be able to evaluate each members raw material purchases and tell them how they measure up with their purchasing dollars. We will also see how it plays out in Mexico.
