

AICC's

SafetyFirst DVD Series In English and Spanish

Available Now!

AICC is proud to now offer SafetyFirst in English and Spanish.

SafetyFirst specifically addresses safety concerns and safe practices in corrugated manufacturing facilities. This is a great source for training new employees and serves as a refresher for veterans of the industry. It's never too late to learn or refresh your knowledge of the dangers, hazards and how to protect yourself, your co-worker and employees.

Topics include:

1. General Safety

2. Flexo Folder-Gluer Safety

3. Diecutter Safety

4. Stacker Safety

5. Material Handling Safety

6. Corrugator Safety

**Safety is everyone's concern.
Don't hesitate – take advantage of this great
reference tool today.**
